Ohio Public Transit Association OHIO NEEDS TRANSIT CONFERENCE & OPTA Expo 2020

A Statement on Coronavirus (COVID-19)

The Ohio Public Transit Association has been closely monitoring updates on the Coronavirus (COVID-19) and will follow all City of Columbus, Columbus Public Health and Ohio Department of Health recommendations.

At this time, everything is operating normally: conferences with domestic audiences, schools, businesses, government offices, and public transit. We are happy to share that we will be hosting the Ohio Needs Transit Conference and OPTA Expo 2020 and are taking careful precautions for your health and safety.

We are working with the Conference venue, the Greater Columbus Convention Center to enhance hygiene measures throughout the venue. If you are experiencing flu-like symptoms, please stay home

If we need to make any changes in our plans, they will be posted one week before the conference—by April 13, 2020.
